Bio

I am joyful, passionate, and disciplined, and I believe it bleeds into my work. I feel humbled to have found a career that allows me to design with compassion and advocacy. I strongly believe in uplifting and inspiring people through memorable solutions. I thrive working in collaborative environments, enabling my fellow designers through humility, empowerment, and kindness.

Work Experience

Snap-on x SCADpro- Project Manager

Summer 2021

- Elected and was recruited as the Project Manager by SCAD BFA/MFA candidates and the lead professor
- Managed a ten-week multifaceted project with a high number of deliverables.
- Directed the team through the design process.
- Presented directly to high profile clients,
- Developed a trusted professional relationship with customer Snap-on, that resulted in high accolades and real-life useful work that is Snap-on is using today.

Dunedin Blue Jays- Design Intern

Summer 2018

- Successfully proposed the position of Design Intern to the Dunedin Blue Jays.
- Set the bar high within marketing, web, and graphic design department as a valued member.
- Created visual and promotional material for events and product promotions.
- Created promotional material that complied with brand standards while displaying new and fun ways to catch the consumers eye.

Notable Projects

Project Lead

Virtual Reality Project - Memori

Collaborated with UX, Sound Design, Motion Media, and VR students to design a project that rethinks the way people remember and share stories with their loved ones.
